step

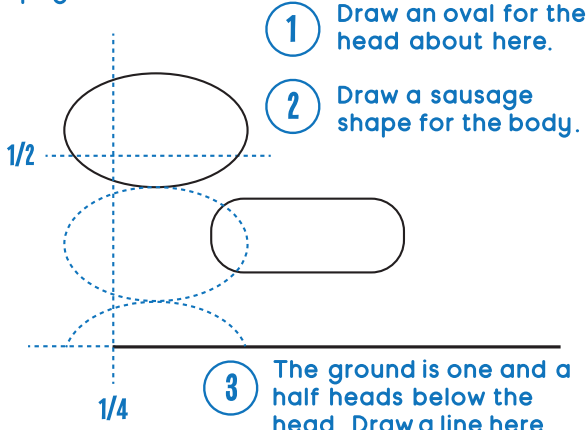

With simple shapes and lines we can ALL draw a Cat - it's easy!

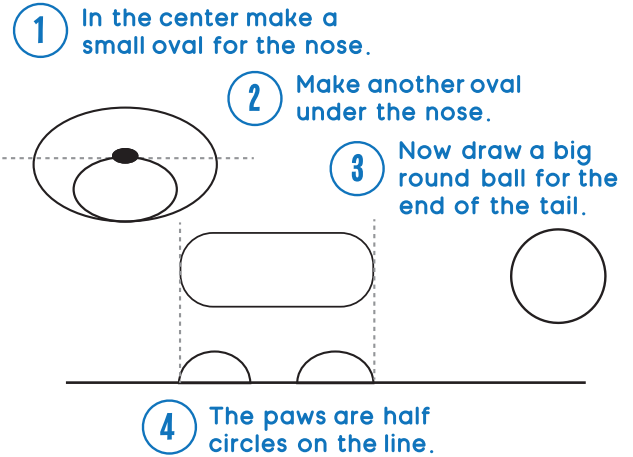

Grab a piece of paper, a pencil and a marker if you have one.

# Let's DRAW A Ginger Tom Cat

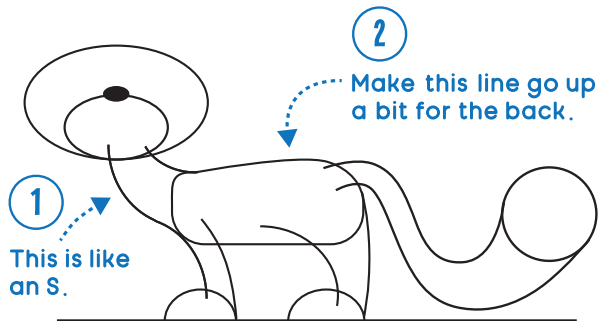

Measure in one quarter from the left and halfway up the page.

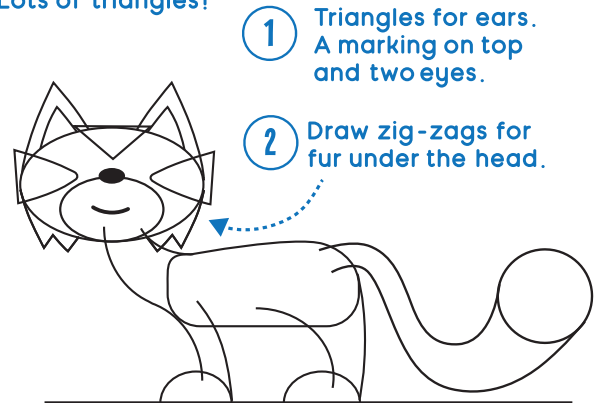

Good work! On we go ...

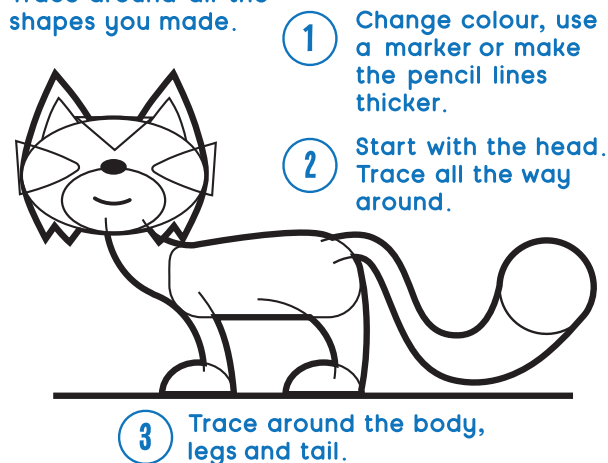

Connect all the shapes up with lines for the neck, legs and tail.

Now the face.  
Lots of triangles!

Now for big bold outlines.  
Trace around all the shapes you made.

Almost done!  
Just add details  
and tidy up.
